\$99/yr

or FREE with Bayer PLUS Rewards

FieldView™ Seed Scripts

Powered by unique research and scientific models, along with your field data you can easily create variable rate planting prescriptions tailored to your fields for only \$1/acre.

Requires a FieldView™ Plus subscription.

FieldView™ Drive

Seamlessly streams data from compatible equipment to your FieldView account and allows for real-time visualization as you pass through fields.

\$299

FieldView Drive Starter Kit

\$249

FieldView Drive

Find out how you can get FieldView Plus free for one year.*

Visit Climate.com/Bayer-PLUS or contact your local dealer.

For questions, please contact Climate Support at 1.888.924.7475, support@climate.com, or contact your local dealer.

*FieldView™ Plus requires enabling hardware, such as FieldView Drive or Precision Planting's 20/20 SeedSense®.

Our services provide estimates or recommendations based on models. These do not guarantee results. Consult your agronomist, commodities broker and other service professionals before making financial, risk management and farming decisions. More information at <http://climate.com/disclaimers>.
